

Nursing Dual Enrollment Pathway Program

Christine Amoresano Gallagher, MSW
Dual Enrollment Coordinator, MSU Denver Nursing Department

METROPOLITAN STATE UNIVERSITY™
OF DENVER

What is Dual Enrollment?

- Bridge an Associate's to a Bachelor's
 - Complete BSN requirements alongside ADN prerequisites and nursing courses
- Maximize time and financial aid
 - Take a majority of courses at the community college
- Dedicated advising relationship
 - Guided advising pathway

What makes our model successful?

- Guided advising with a 1 on 1 relationship
- Systemic support at MSU Denver
 - Admissions
 - Advising
 - Transfer Services
- Buy-in from students
- Online coursework and flexibility

What are our challenges?

- Dual Enrollment Coordinator Position
 - Funding
 - Turnover
- Student Population
 - Online Working Adults
 - Parenting
 - Career Changers
- Extreme flexibility
 - Stopping out
 - Taking fewer classes

Program Data

- \$200,000 over 3+ years
- 1000 individual student touches in 2016
- 6 partners, 9 campuses

- 172 students in BRNCO Program Overall
 - 60 Dual Enrollment, ~35% of overall enrollment
 - 26% of Fall 2016 starting class
 - 57% of Spring 2017 starting class
 - 90% of Summer 2017 starting class
- 215 additional students in the Pathway
- 5 BSN graduates

Sample Dual Enrollment Course Sequence Guide: Community College and Metropolitan State University of Denver

| Location | Course # | Course Name | CR. |
|-----------------------------|----------|--------------------------------|-----|
| Prerequisites - Fall | | | |
